b6  
b7C  
b7D SA [redacted] On 2/20/57, PCI [redacted] was interviewed by [redacted] and furnished the following information concerning the Mattachine Organization.

The informant advised that information received from various members of the Mattachine Organization is as follows:

They are going to move the headquarters to San Francisco and that they will expand activities of the male and female queer sections, because of their sanctuary here in San Francisco as a bohemian city. They had announced that as of 2/1/57, two additional offices have been added to their office facilities at 693 Mission Street, the Williams Building, which gave them four or more rooms. The room numbers are 307, 308, 309 and 312.

The informant stated that the Publishing Department will operate under "The Fan - Graphic Press" at the above address.

The telephone number for this organization is EXbrook 7-0773.

The informant stated that the Daughters of the Bilitis, which is a companion organization of the Mattachine Organization, will also operate on a more definite status and a list of the members is being compiled at this time.

The informant advised he understood they are renting rooms, and recreational facilities are apparently going to be provided by the above clubs.

The informant advised the following notice appeared in the bulletin of the Mattachine Organization: "During February permanent files of the Board of Directors are to be moved to San Francisco from Los Angeles. Early in the month new bank accounts for the Board are also to be established in San Francisco."

The informant advised he would continue to be on the alert for any information concerning the activities of this organization and he is endeavoring to obtain a membership list of both the Daughters of Bilitis and The Mattachine, and make it available to the writer.
